

Lifelong Learning & Personal Development

Free 6 Week Course for Parents

- Would you like to learn a new skill/hobby that you can share with your family?
- Would you like to play a bigger role in helping your children with their homework?
- Would you like to meet other parents, get more involved in the community and go on a tour somewhere with the group?
- Are you interested in exploring any of the following family learning subject areas?

Creative Writing and Story Telling
Household Budgeting
Computers & Online Safety
I-pads
Art and Crafts

If so, please join us for a cup of tea/coffee and a chat
