

BEE HERE Every Day - Every Day Counts!

Our school is proud to participate in **Anseo**, a national initiative supporting positive school attendance. *Anseo* means "**here**" in Irish - and being here matters!

Every School Day Counts

Regular attendance helps children to **learn, make friends, build confidence and feel part of their school community**. In the early years, good attendance also helps children develop positive routines that can last throughout their school journey.

Every Minute Matters Too

Being in school **on time and for the full school day** is important.

Arriving late or being collected early means children miss valuable **learning, classroom routines and time with their classmates**. A few minutes may not seem like much, but when it happens regularly, **that missed learning adds up over time**.

We understand that illness, appointments and unexpected circumstances happen. We ask families, whenever possible, to help children:

- ✓ **Come to school every day**
- ✓ **Arrive on time**
- ✓ **Stay until the end of the school day**

Working Together

Through *Anseo*, we work in partnership with **children and families** to encourage good attendance and provide support when difficulties arise.

Every day in school is another opportunity to learn, grow and belong.
